our story

The Boutique Real Estate Group is a boutique real estate brokerage founded in Orange County, CA, that focuses on brilliant design, beautiful marketing & luxury services. The Boutique has created a culture that spurs collaboration, technology, and social media with a unique marketing approach. Our story goes a little something like this. Beautiful design evokes emotion. Emotion stirs the soul and creates a connection between client, agent and the home buying & selling process. The Boutique Real Estate Group has invested heavily in bringing all aspects of the real estate experience completely in-house. From custom design, professional staging, architectural photography, cinematography & film production, social media to technology, internet optimization, cloud-based transaction management and global listing syndication. This not only provides The Boutique with complete control of the design, marketing & technology of luxury real estate but also gives us the look & feel of a true boutique marketing agency. This design & tech-forward approach has earned The Boutique Real Estate Group accolades & awards worldwide.
